

## Warrior Transition Program Gear Turn-in Information

The information below will help you at WTP when you turn in your gear. On the CTF-IA website as well as the Navy IA website there are Gear Turn-in Lists for you to review as you pack your gear. Not everyone will have been issued everything on that list, but if you have any of the items listed you need to return them. If you mailed anything back to the U.S. or left them before you departed, you need to retrieve those items to turn them in or you will eventually be charged for each item by the Army.

Items that DO NOT have to be returned:

ACU/DCU uniforms

- boots, socks
- t-shirts
- long underwear (lightweight and heavyweight)
- covers
- fleece
- ACU waist pack and assault pack (small backpack)
- gloves
- eye protection (goggles)

Items (exceptions to the guidelines) that DO have to be returned:

- All OCP items (i.e., assault pack or waist pack)
- OCP (multi-cam) uniforms issued by the Army (**you may keep one uniform for return to CONUS**)
- Gloves, neck gaiter, and eye protection (Camp Atterbury issued items)

To save yourself time, separate the items you need to return from the items you do not and your personal items. Bring only the items to be turned in to gear drop. Everyone will need to turn in two seabags. Ensure everything is clean and free of sand and dirt. It does not matter if you have marked your name on items; they still need to be returned.

DO NOT discard uniform items in trash cans anywhere in theater. There are specific uniform turn-in locations at WTP to discard uniforms if you desire. Make sure you keep one uniform and a soft cover (no boonies) for flying back to US if you are on the rotator and for reporting to NMPS.
