

KMC Safe Haven Enrollment

FACT SHEET

We recognize that this has been a stressful time and that many families may need a period to rest and recover as you settle into your temporary location. Please take the time you need to get situated and support your family during this transition. For those who feel ready, students may begin attending school as soon as arrangements are made. Families who prefer additional time to adjust may do so; however, April 6 will serve as the deadline for returning to school.

Please know that our schools are committed to supporting you and your children and will work closely with you to make the transition back into school as smooth as possible.
