## **OMBUDSMAN**

Navy Family Ombudsmen serve as a liaison between commands and all family members within a command, including spouses, parents and extended family members.

The Ombudsman Code of Ethics guarantees support of the mission, respect for the chain of command, professionalism and confidentiality within program guidelines.

The Ombudsman is a volunteer, appointed by the Commanding Officer, to serve as an information link between command leadership and Navy families. Ombudsmen are trained to disseminate information both up and down the chain of command, including official Department of the Navy and command information, command climate issues, and local quality of life improvement opportunities.

Ombudsmen also provide resource referrals when needed. They are instrumental in resolving family issues before the issues require extensive command attention. The Command Ombudsman is appointed by and works under the guidance of the Commanding Officer who determines the priorities of the program, the roles and relationships of those involved in it, and the type and level of support it will receive.

# **WELCOME ABOARD**

Congratulations on your orders to U.S. Naval Forces Central Command (NAVCENT), located onboard U.S. Naval Support Activity (NSA) Bahrain. The Navy selected you to join one of the finest Navy Organizations in the world.

## **Vision and Mission:**

### **Cooperative Security, Cooperative Prosperity**

We envision a secure and prosperous maritime environment where cooperative security ensures cooperative prosperity. To this end, NAVCENT plans, directs, and enables full spectrum naval operations with partners and allies to ensure maritime stability and security of theater sea lines of communication.

2. Updated copy of Pg. 2
3. Valid military I.D. cards
4. Completed overseas screening for service member and all dependents (**Ensure Overseas screening is started upon receipt of PCS orders**)
5. Health records
6. Immunization records
7. Dental records
8. Birth certificate(s)
9. Marriage certificate/divorce decree
10. Citizenship/naturalization papers
11. Social security cards
12. Official Passports
13. Travel receipts
14. A valid driver's license (Bahrain don't accept expired driver's license regardless of state laws)
15. Power of attorney if necessary
16. Approved Dependent Entry Approval (If Applicable)
17. Pet health certificate must be current (within 10 days) before your flight. (For Pet owners bringing pets)
18. Bring a valid U.S. Vehicle registration (If bringing vehicle to Bahrain)
19. Present a power of attorney if the active duty sponsor is not present (If bringing vehicle to Bahrain)

## **Dependent Entry Approval**

Dependent Entry Approval (DEA) is a Navy process to obtain permission from an area Commander to bring dependents into a specific area. Information on how to obtain DEA and points of contact are available on the DEA website:

<https://www.mynavyhr.navy.mil/Support-Services/Distribution-Management/Dependent-Entry-Approval>.

Once PCS orders are released - Submit DEA package via email to: NAVCENT DEA  
Distro:navcentdeaallocationrequest@us.navy.mil.

- Copy of PCS orders (24 months tour or more)
- NAVPERS 1070/602 and DD Form 93.
- Copy of Completed NAVPERS 1300/16 (Overseas Screening)
- Copy of member and Dependents official passport/application of official passport confirmation.

## Passports

You will be required to go through immigration at the airport upon arrival in Bahrain. Ensure to provide your Official (Official/Maroon) Passport for visa issuance.

Per the current DoD Foreign Clearance Guide, service members permanently attached to Bahrain will NOT be allowed to enter the country without the items mentioned above. NAVPTO will not provide travel itineraries without verification of Official passports. For other Dependent requirements, please refer to the Foreign Clearance Guide.

If you apply for or renew a passport while in Bahrain, you must present proof of U.S. citizenship and other supporting documentation listed at <http://passports.state.gov>. Ensure that you bring all required documents with you.

## Pets

The Kingdom of Bahrain requires that all pets arriving from a country that is not considered rabies-free have a valid rabies titer test (FAVN). Our agreement with the host nation precludes service members and DoD employees from having to obtain a FAVN, provided the following guidelines are adhered to by all pets affiliated with NSA Bahrain. Please note that there are no exceptions to these guidelines, as they are mandated by the Kingdom of Bahrain. We recommend starting the entry process at least three-four months in advance of your arrival date as rabies test results can take several weeks to receive back.

You can email the NSA Bahrain Veterinarian with any questions at: [NSABahrain.Vetclinic@gmail.com](mailto:NSABahrain.Vetclinic@gmail.com).

1. If your pet has not had a required vaccination: There is a 21-day waiting period between vaccinations in a series, and pets cannot travel for 30 calendar days after receiving a vaccination.
2. Provide your pets complete vaccination information as well as the provided checklist to NSA Bahrain Veterinarian via email ([NSABahrain.Vetclinic@gmail.com](mailto:NSABahrain.Vetclinic@gmail.com)).
3. Required Vaccines:  
Dogs: Previous Rabies, DA2PP, Leptospirosis. Current Rabies, DA2PP, Leptospirosis.  
Cats: Previous Rabies, FVRCP. Current Rabies, FVRCP

## Prior to Travel:

1. Your pet(s) must receive a Health Certificate within 10 days of travel:
  - a. APHIS Form 7001 (United States Interstate and International Certificate of Health Examination).
  - b. All vaccinations required for entry must be noted on this form (see vaccination requirements on previous page).
  - c. Health certificates must be endorsed/stamped by the USDA unless completed by an active duty U.S. Army veterinarian. If you are using a civilian veterinarian, USDA endorsement is required and your veterinarian can direct you as to how to complete this step.
2. You must have your pet's current, signed, original rabies certificate (signature in blue ink) on hand during travel

## **AMC Travel (With Pets)**

Contact Regional Support Center or the AMC terminal directly to verify that your pet(s) have a space reserved on your flight(s). Also verify their shipping kennel requirements, weight restrictions, fees, and any special shipping procedures or documents they may require upon check-in.

## **Commercial Travel (With Pets)**

Contact your airline directly to verify that your pet(s) have a space reserved on your flight(s). Also verify their shipping kennel requirements, weight restrictions, fees, and any special shipping procedures or documents they may require upon check-in. Please note that when flying commercially all pets are required to arrive as manifested cargo, not in cabin or as checked baggage (contact the airline for further information). Please remember that some airline companies have travel restrictions based on the time of year or heat indexes (Heat embargoes).

## **Housing**

All FROCKED E5 and below personnel will be assigned lodging in the barracks onboard NSA Bahrain. The command will not recommend advance temporary lodging allowance (TLA) for Frocked E5 and below personnel prior to reporting. In the event barracks capacity reaches 95%, Frocked E5 & E4 (and potentially newly reporting E3 and below) personnel may be assigned lodging in a hotel on or off base. This will be on a case-by-case basis depending on the current occupancy of the barracks.

E5 and above will be assigned lodging in a hotel on/off base. NGIS Bahrain is the default lodging facility on base unless a certificate of non-availability (CNA) is received for off base lodging prior to arrival. You will be required to attend a housing brief prior to house hunting. You will receive TLA for the actual cost of lodging for a maximum of 45 days.

Local force protection measures require the sponsor team to make hotel reservations prior to your arrival. Please convey any special requests or needs regarding these arrangements with the sponsor team upon contact and they will do their best to accommodate you. Funds received regarding TLA claims will be for the single purpose of paying hotel costs only. These funds are not for personal use. TLA is paid in 10-day increments. Members are required to pay TLA up front and provide zero-balanced receipts to the Housing Office.

## **Preparing Financially**

Prior to arriving here at NAVCENT/C5F, you should prepare to have a few months of savings. Your BAH entitlement will stop once you are gained to the command until the required forms are submitted to start your overseas housing allowance (OHA) and other required pays. Personnel E5 and above who will obtain housing off base will have to pay their hotel cost 10 days at a time up front, and their first month's rent upon move-in day.

## **Cost of Living**

Living in Bahrain can be expensive due to the currency exchange rate of Bahrain Dinar (BHD) to United States Dollar (USD). To get the current COLA rates for Bahrain you can go to this link: <https://www.defensetravel.dod.mil/site/colaCalc.cfm>.

## **Pay Entitlements While in Bahrain**

Bahrain is in a tax-free zone. Single personnel who PCS to Bahrain receive Single COLA and BAS at current rate. Unaccompanied personnel receive the same entitlements as single personnel in addition to their Dependent BAH (if entitled) and FSA at \$250.00 a month. Service members will also receive Hardship Duty pay and Basic Allowance for Subsistence (BAS) if living on the economy. BAS Rates: \$452.56 for Enlisted & \$311.68 for Officers. Hardship Duty Rate: \$100.00

## **Cell phone**

If you have a cell phone (w/o international plan) and would like to purchase a sim card in Bahrain, it must be unlocked. Most U.S carriers will unlock the phone if asked. You can purchase a SIM card for your unlocked phone upon arrival, which will provide you with a local Bahrain number. Unlocked phones may also be purchased locally ranging in price from \$25 to \$1000 depending on the type of phone you would like to use. It is highly encouraged that you have a phone with local cell phone service while in Bahrain for safety and command recall purposes.

**Power for Electronics**

Electricity voltage in Bahrain is 220 Volts! If you bring electronics, make sure they are 110V/220V. Be advised that your flat or villa may come with the electronics you need (TV/DVD/ Surround System/ Appliances). Be sure you don't plug in expensive electronics without first checking the voltage and using the appropriate transformer if necessary. Transformers only change the voltage not the frequency; adapters only adapt the plug to fit. Converters are available for sale at various locations and/or can be obtained when negotiating a housing lease.

**Pack Out**

Choosing what to bring on orders to Bahrain is a highly personal choice. You will want to be comfortable in your home in Bahrain just as you would want to be comfortable in your home anywhere else. A large number of homes are furnished or semi-furnished so do take that into consideration. If you like water sports, bring your items but keep in mind there is NO surfing in Bahrain. If your shipment is late arriving and you have exhausted Temporary Living Allowance, Bahrain housing may be able to assign you to a month-to-month fully-furnished apartment until your shipment arrives. To the right is the chart of the limit for your PCS weight.

PCS Gross Weight Allowance				
Pay Grade	With Dependents		Without Dependents	
O6-O10	18,000		18,000
